

SNHSA  
2004 Year End  
Awards Banquet

January 22, 2005  
Thunder Canyon Country Club  
Washoe Valley, Nevada

**Congratulations** to all Sierra Nevada members for their efforts to improve their riding skills, for their dedication to their horses and for their enthusiastic support of their fellow competitors during the 2004 show season. The spirit of good sportsmanship prevailed throughout the year. The strong base for Sierra Nevada is the children who enjoy having a good time, whether it be winning a ribbon for them selves or cheering on fellow competitors.

We are so lucky to have such a great group of trainers, volunteers and sponsors in our community who have kept SNHSA going for many years. We all have full busy lives and schedules and it would be easier to say "not me", but thankfully these people have come through again and again for all of us. Where would our kids and horses be without the dedicated trainers we have all come to depend on so fully. With their help we are instilling in every one of our children the importance of commitment, dedication, trust, sportsmanship and friendship in our lives.

Last but by no means least we say **THANK YOU** to all the dedicated horse show moms and dads who make our shows possible. Without them acting as chauffeurs, grooms, announcers, ring crews, horse haulers, and cheer leaders, none of this would happen.

We are so glad you could all make it to this fun, and exciting celebration!

Enjoy!
