2:00 p.m.Youth Committee Presentations

*The SNHSA Raffle is ongoing throughout the evening.
Drawings will take place during the awards presentations.*

The raffle program is one of SNHSA's fundraising events. Raffle items are donated by SNHSA barns, friends, and area businesses. Thank you for any and all donations and your support in buying raffle tickets tonight! The proceeds raised from the raffle go towards SNHSA's annual operating costs.

Welcome to Sierra Nevada Horse Show Association's 2014 awards banquet.

SNHSA's mission is to provide a safe and friendly horse show environment, in which our members, and their horses, excel to meet their goals.

Throughout the year, it has been a pleasure watching your progress as equestrians, young and old. I would like to congratulate all of our riders tonight for their hard work and dedication. And a special thank you to the Youth Committee and parents, for their participation and support throughout the 2014 show season.

We are here tonight to celebrate our amazing horses, who, along with the parents, make all our accomplishments possible. One thing we all share, is our love of horses. Creating a bond between a horse and rider is the ultimate reward in our sport. Horse shows, parents, trainers, and riders all play a big part in achieving this. A big thank you for your continued support! Wishing you all a productive and prosperous 2015 show season. Have fun and stay safe!

Thanks,

Laurie Alden, SNHSA President

Sarah Osborne	Vice President
Nicole Roberts	Secretary

Youth Committee members pose with Lauren O'Gara, winner of the Michael & Sons raffle at the Franktown Meadows Hunter Derby.

Youth Committee members met at Brownlee Equestrian in August.

What is SNHSA Youth Committee?

The Mission of the SNHSA Youth Committee is “to promote good horsemanship, further education and to be actively involved in SNHSA Hunter-Jumper shows.” The goal of the Committee is to offer junior members a constructive opportunity to participate in SNHSA’s mission and to make a difference in the local horse community.

This committee is open to all SNHSA members under the age of 18. We meet at least once a month for at least one hour. The Committee’s members shape all goals and responsibilities of the Committee.

All committed Youth Committee members are eligible for volunteer service hour credits. Furthermore, this would be a great activity to put on any school resume. It is our hope that every barn be represented in the Committee so that every barn will have a voice in the Committee’s activities and endeavors.

Responsibilities and Requirements

The Youth Committee is looking for dedicated SNHSA members who are looking to make a positive impact in both their riding and “every day” community. It is not too late to sign up as a member!

- **Requirements**

- o A current member of SNHSA in good standing.
- o Under the age of 18.

- **Responsibilities**

- o Attend monthly meetings.
 - Members 13 and under are not required to attend monthly meetings.
- o Chair at least one Youth Committee sanctioned program
- o Complete a minimum of 30 hours of volunteer service per show season (12 months) in the support of approved SNHSA events and projects.
 - Examples include: monthly meetings, selling raffle tickets, SNHSA Medal Finals, SNHSA Benefit Show, Youth Committee’s fundraising initiatives (bran mash sale, tack sale, etc.), tabling and outreach at sanctioned shows and events.
 - Members who have completed or are on schedule to complete the required hours are eligible to participate in various SNHSA programs for a discounted price.

Darryl & Angie Bader

SNHSA promotes "Excellence in Equitation" by recognizing the accomplishments of riders competing at SNHSA-sanctioned competitions. Awards are given to the top 10 junior and amateur riders based on cumulative competition-year points earned in SNHSA-sanctioned equitation divisions.

Riders must have USHJA/USEF active memberships to be eligible to participate in this program. Membership information must be provided to SNHSA prior to the end of the event for points to count. SNHSA three-venue rules are applicable.

Congratulations to **Hayley Haas** and **Leslie Biederman** on being the leading junior and amateur riders in this year's USHJA Excellence in Equitation Award program. As the riders with the most points accrued in the equitation divisions, they each received a scholarship to audit George Morris' clinic for one day.

High School Challenge

SPONSORED BY Betsy Osborne

As a sport often not recognized within the traditional school system, SNHSA aims to fill this gap by acknowledging the dedication and hard work junior riders exhibit to both their school peers and their “horse” community. School rankings will be determined by taking the cumulative points earned by all juniors affiliated with said school. Awards will be given to SNHSA junior riders attending the high school having the highest cumulative competition year points earned. The winning school’s administrators will also be notified of this achievement. Junior riders of the top ranking high school must be present at the Year-End Awards event in order to receive their award.

Congratulations to **Bishop Manogue** on winning the High School Challenge a second year in a row. **Nicole Roberts** is the individual high school rider who accrued the most points this season. Her school, **Damonte Ranch High School**, will also be notified of this outstanding achievement.

USHJA Affiliate Sportsmanship Award

SNHSA recognizes an individual, (junior, amateur, professional rider, or riding instructor) who exemplifies high-quality horsemanship, sportsmanship, and integrity with the USHJA Affiliate Sportsmanship Award.

One nominee will be chosen by a committee comprised of the Youth Committee Chair, SNHSA Board Member, and Member-at-Large by Aug. 1. This nominee will, with the support of the committee, submit the required biography, 200-word essay, photo, and application to be considered as a winner of the Sixteen Regional Affiliate Awards. Applications are due Sept. 1 to USHJA.

Congratulations to **Adriana Osmetti** for being the 2014 USHJA Affiliate Sportsmanship Award winner. Adriana is a junior rider deserving of this award due to her exemplary character and integrity in sportsmanship and horsemanship, as described by many individuals, including parents, trainers, teachers, fellow SNHSA members and community members. In sum, she represents our sport's future potential.

2014 USHJA Affiliate Sportsmanship Award winner Adrianna Osmetti, pictured with her horse, Spanish Diamond.

Honor Society and Academic Excellence

SNHSA's Honor Society and Academic Excellence Award recognizes outstanding high school and middle school students. More than just an honor roll, it is awarded to high school and middle school junior riders with superior academic results, community service, leadership and character. These characteristics have been associated with membership in the organization.

Members who meet the standards and requirements set forth in the guidelines will be inducted into the SNHSA Honor Society annually at the Year-End Awards recognition event, but they must be present in order to receive the award and induction into the society.

The inaugural class for SNHSA's Honor Society and Academic Excellence Award are remarkable young individuals engaged in many communities, not just academics and horses.
