### **WE WELCOME YOU!**

*We are always looking for people with enthusiastic, fresh perspectives to contribute to our committees. Please contact the Chair of the committee you are interested in joining!*

### **Welcome to the 2017 Sierra Nevada Horse Show Association awards banquet.**

*Congratulations to our members on your accomplishments this year; 2017 was another incredible year, and we look forward to celebrating all of your successes tonight. I would like to thank all of our owners, riders, parents, trainers, and sponsors, for your role in making this such an amazing year. Together, we are able to make these achievements possible.*

*2017 was a year of growth and change for SNHSA, and as a Board, we have spent much of the year focused on our new vision to bring the joy of horse sports to as many people as possible. We are grateful to our membership for embracing this vision with us. There were so many examples throughout the year of horsemanship and sportsmanship. In a year that we faced the challenges of flooding and a strangles outbreak, the entire horse community pulled together and put the welfare of the horses first.*

*We will work hard to continue to bring quality shows, educational clinics, and exciting new programs to better serve our community. We are all looking forward to the coming year, and sharing it with our family, friends, and the horses that bring us all together.*

**Sarah Mullins, SNHSA 2017-18 President**

## **What is SNHSA Youth Committee?**

The Mission of the SNHSA Youth Committee is “to promote good horsemanship, further education and to be actively involved in SNHSA Hunter-Jumper shows.” The goal of the Committee is to offer junior members a constructive opportunity to participate in SNHSA’s mission and to make a difference in the local horse community.

This committee is open to all SNHSA members under the age of 18. We meet at least once a month for at least one hour. The Committee’s members shape all goals and responsibilities of the Committee.

All committed Youth Committee members are eligible for volunteer service hour credits. Furthermore, this would be a great activity to put on any school resume. It is our hope that every barn be represented in the Committee so that every barn will have a voice in the Committee’s activities and endeavors.

## **Responsibilities and Requirements**

The Youth Committee is looking for dedicated SNHSA members who are looking to make a positive impact in both their riding and “every day” community.

- **Requirements:** must be a current member of SNHSA in good standing and under the age of 18.
- **Responsibilities:** Attend monthly meetings, Chair at least one Youth Committee sanctioned program, complete a minimum of 30 hours of volunteer service per show season (12 months) in the support of approved SNHSA events and projects.
  - Members who have completed or are on schedule to complete the required hours are eligible to participate in various SNHSA programs for a discounted price.

# 2017 SNHSA Middle and High School Challenge

As a sport often not recognized within the traditional school system, SNHSA aims to fill this gap by acknowledging the dedication and hard work junior riders exhibit to both their school peers and their “horse” community.

School teams accrue points by competing in a best middle/high school rider class offered at all SNHSA-sanctioned competitions and completing a horsemanship test. The school team with the most points wins. Junior riders must be in the 7th through 12th grades and SNHSA members of good standing to be eligible to participate in the challenge. Junior riders of the top ranking middle and high school must be present at the Year-End Awards event in order to receive their awards.

Congratulations to middle school Team 1 of **Brooke Gutheil, Ava Mellum and Natalie Hamilton** for winning the Middle School Challenge. Congratulations, to **Chloe Young** as the individual middle school rider who accrued the most challenge points this season.

Congratulations to the high school Team 2 of **Leora Chase, Olivia Collins and Emily Rye** on winning the High School Challenge. Congratulations to Olivia as the individual high school rider who accrued the most challenge points this season.

# 2017 Excellence in Equitation Awards

SNHSA promotes "Excellence in Equitation" by recognizing the accomplishments of riders competing at SNHSA-sanctioned equitation competitions. Awards are given to the top 10 junior and amateur riders based on cumulative competition-year points earned in SNHSA-sanctioned equitation divisions.

Riders must have USHJA/USEF active memberships to be eligible to participate in this program. Membership information must be provided to SNHSA prior to the end of the event for points to count. SNHSA three-venue and 10-point rules are applicable.

Congratulations to **McKenna Owen** and **Leslie Biederman** for being the leading junior and adult amateur riders in this year's Excellence in Equitation Award program. As the USHJA/USEF member riders with the most points accrued in the SNHSA equitation divisions, they will each receive a one-year membership to EquestrianCoach.com

# SNHSA Sportsmanship Trophy

## 2017 SNHSA Sportsmanship Trophy

The **SNHSA Sportsmanship Trophy** was donated in 2016 by Shelley Evans, the 2015 recipient of the award. The trophy is dedicated to SNHSA to honor all of the great horsemanship, sportsmanship, and friendships within our association.

### ❧ Congratulations to Leslie Biederman

SNHSA members nominate a fellow member for consideration of the Sportsmanship Trophy by submitting a nomination application by Jan. 15.

SNHSA recognizes an individual, whether they are a junior, amateur or professional rider, who exemplifies high-quality horsemanship, sportsmanship and integrity with the Sportsmanship Trophy.

Leslie Biederman and Cartireno

### United States Equestrian The Sportsman's Charter

- ❧ *That sport is something done for the fun of doing it and that it ceases to be sport when it becomes a business only, something done for what there is in it;*
- ❧ *That amateurism is something of the heart and spirit, not a matter of exact technical qualifications;*
- ❧ *That good manners of sport are fundamentally important;*
- ❧ *That the code must be strictly upheld*
- ❧ *That the whole structure of the sport is not only preserved from the absurdity of undue importance, but is justified by a kind of romance which animates it, and by the positive virtues of courage, patience, good temper, and unselfishness which are demanded by the code;*
- ❧ *That the exploitation of sport for profit alone kills the spirit and retains only the husk and semblance of the thing;*
- ❧ *That the qualities of frankness, courage, and sincerity which mark the good sportsman in private life shall mark the discussions of his interests at a competition.*

# 2017 SNHSA JR/AM Challenge Cup

The first annual **SNHSA JR/AM Jumper Challenge Cup Tournament** took place Sunday, Oct. 22, at **Brownlee Equestrian!**

The Prix de Nations style team competition featured five three-rider teams for its inaugural event. Riders rode in a warmup round, then competed in Round 1 with order of go drawn. The rider's score having the most faults and slowest time was dropped, and the team's other riders' total points, counting faults and speed, determined order of go for Round 2. Following the results of Round 2, three teams had no faults in Round 1 and 2, and the chef d'equipe of each team chose the jump-off round rider who rode for final ribbon placement.

The winning team was awarded a trophy, a silver cup for each rider and the chef d'equipe, and a sash ribbon and a SNHSA embroidered logo sheet for each horse!

This event will be held annually and we hope to see it grow!
