### ***Welcome to the 2018 Sierra Nevada Horse Show Association awards banquet.***

*2018 was a year full of great accomplishments for our members and we are looking forward to celebrating your successes tonight. I am full of gratitude to all of the owners, riders, parents, trainers and sponsors for all of your efforts in making this another incredible year.*

*As our newly adopted Vision of bringing the joy of horse sport to as many people as possible takes shape, we opened the door to new opportunities for our members. We helped to support qualified horses and riders to represent SNHSA at the USHJA National Championships held in Las Vegas, and they made us proud! We also hosted several educational clinics, providing members an opportunity to grow in their horsemanship and sportsmanship, such as the clinic with Bernie Traurig. What a privilege it was to work with such an accomplished and knowledgeable horseman!*

*In the coming year, we will continue to make our members the priority with quality shows, educational clinics and more opportunities to grow alongside our horses, family and friends!*

# 2018 SNHSA Ricky Evans Sportsmanship Trophy

In 2015, SNHSA started a tradition of recognizing an individual, junior, amateur or professional who exemplifies high-quality horsemanship, sportsmanship and integrity in our sport. The first honoree was Shelley Evans and to carry forward her legacy, she donated this perpetual trophy in 2016.

For those who might not know, Reno lost two of its “greats” this year... Shelley moved out of state to pursue another career opportunity and to be closer to family; and sadly, her beloved horse Ricky died this year after an unexpected accident. When riding Ricky, Shelley always had a contagious smile. She was instrumental in bringing joy and friendship to our equestrian community and such an amazing role model for all of us. With that sentiment in our hearts, the Board of Directors has decided to rename this trophy in honor of them both. Thank you, Shelley and Ricky for shining your light on our equestrian community.

Shelley Evans and Ricky

As we considered who to give the trophy to this year, we saw the contagious smile of someone else, along with the joy and friendship that she brought to every SNHSA show and clinic throughout the year. It is with great honor that we award the **2018 SNHSA Ricky Evans Sportsmanship Trophy to Julianna Osmetti**. Julianna, the SNHSA Board salutes you for your courage, your patience, good temper, unselfishness and your commitment to continue your personal learning in the sport.

## 2018 Ricky Evans Sportsmanship Trophy

The **Ricky Evans Sportsmanship Trophy** was donated in 2016 by Shelley Evans, the 2015 recipient of the award. The trophy has been rededicated to Ricky Evans to honor all of the great horsemanship, sportsmanship and friendships within our association.

### ❧ Congratulations to Julianna Osmetti

# 2018 Excellence in Equitation Awards

SNHSA promotes “Excellence in Equitation” by recognizing the accomplishments of riders competing at SNHSA-sanctioned equitation competitions. Awards are given to the top 10 junior and amateur riders based on cumulative competition-year points earned in SNHSA-sanctioned equitation divisions.

Riders must have USHJA/USEF active memberships to be eligible to participate in this program. Membership information must be provided to SNHSA prior to the end of the event for points to count. SNHSA three-venue and 10-point rules are applicable.

Congratulations to **Brogan Doolan** and **Leslie Biederman** for being the leading junior and adult amateur riders in this year’s Excellence in Equitation Award program. As the USHJA/USEF member riders with the most points accrued in the SNHSA equitation divisions, they will each receive a one-year membership to EquestrianCoach.com.

# 2018 Inaugural Year of the USHJA Affiliate Hunter Championships

The USHJA Affiliate Hunter Championships saw horse-and-rider combinations that qualified through their USHJA affiliate member organizations compete at 2' and 2'6" fence heights. The inaugural event included riders from nearly every USHJA Zone who descended on the beautifully decorated South Point Arena & Equestrian Center.

SNHSA's top three point earners from the 2' and 2'6" divisions were invited to participate in the Championships and scholarships were offered to those chosen to go. Two riders from each fence height made the trek to Las Vegas and made the trip well worth it! All of our riders were in the ribbons in each of their respective divisions. Not only did they perform well, they also made us proud with their sportsmanship, horsemanship and camaraderie throughout. Most nights, our SNHSA members could be found in the barn aisles, walking their horses, or taking them outside for some fresh air and a roll after a job well done. They were at the back gate cheering each other on, setting fences, sharing equipment, and turning each individual ride into a team experience.

In addition to great competition, we had the opportunity to participate in free educational seminars, including a session with Sharon Classen, the physiotherapist for the 2018 U.S. Gold Medal World Equestrian Games Show Jumping Team; a Judging seminar, led by USEF R-rated judge and USHJA Certified Trainer Diane Carney; a course walk with USEF Youth Chef d'Equipe Di Ann Langer; as well as informational sessions with the official horse show farrier and official horse show veterinarian.

We also enjoyed the electric atmosphere of Las Vegas and the South Point Hotel, Casino & Spa, which houses the Equestrian Center, as well as a variety of vendors and shopping. The Las Vegas National CSI4\* Longines FEI World Cup Qualifying class, as well as exhibitor hospitality, added to the overall National Championship experience.

We congratulate all of our riders on their success in this inaugural Championship, and look forward to qualifying riders for the Championship again this year!
