Welcome to the 2020 Sierra Nevada Horse Show Association Awards Celebration!

We all know that 2020 was not the year that any of us could have envisioned, and it challenged each of us in unprecedented ways. As we watched the world around us dissolve into uncertainty, equestrians around the world all turned to the same thing – the incredible love we share for the horse. We were reminded of why we started riding in the first place. The barn again became a socially distanced sanctuary, and our horses were one of the few constants we could rely on as we discovered new routines amidst a global pandemic.

The entire SNHSA board fought hard to keep the show season going, and I am so proud to be a part of this community which never gave up on bringing our members a 2020 season. I would also like to extend a huge thank you to the parents, families and sponsors that support not only our members and riders, but also SNHSA. Without you none of this would be possible.

Though we are unable to celebrate your successes in person this year, I am thrilled to be able to virtually present you with your awards earned in 2020. I am looking forward to seeing you all in person again soon.

~ Liz Reader, SNHSA 2019-21 President

2020 SNHSA Ricky Evans Sportsmanship Trophy

In 2015, SNHSA started a tradition of recognizing an individual, junior, amateur or professional who exemplifies high-quality horsemanship, sportsmanship and integrity in our sport. The first honoree was Shelley Evans and to carry forward her legacy, she donated this perpetual trophy in 2016. In 2018, the SNHSA Board of Directors renamed the trophy to honor Shelley Evans and her beloved horse, Ricky, who died in 2018.

Katie Jun was nominated by her trainer, Wendy Brownlee, due to her display of Sportsmanship at the SNHSA Medal finals.

"2020 was a difficult year for all of us. Even so, looking back, there were some very special moments that provided lasting memories."

Moving into the final work-off of the 2020 SNHSA Mini Medal final, Katie Jun was leading. She was last to work off. She was popped out of the saddle over the last jump, but her reaction and response was priceless. She stood up with a big smile on her face and hand-walked her horse back to the line-up, giggling. There were no tears or even a look of disappointment on her face.

"That great display of sportsmanship the day of the finals is not a rare occasion for Katie. She is always smiling and happy. There's never a moment during a lesson when she displays negative emotions. But to demonstrate those characteristics at the show was amazing."

Katie demonstrated all of the characteristics of a true sportsman. The experience at the finals has earned her a new nickname, Giggles."

It is with great honor that we award the **2020 SNHSA Ricky Evans Sportsmanship Trophy** to **Katie Jun. Katie, the SNHSA Board salutes you!**

Katie Jun and Kiltealy Brave

2020 Ricky Evans Sportsmanship Trophy

The **Ricky Evans Sportsmanship Trophy** was donated in 2016 by Shelley Evans, the 2015 recipient of the award. The trophy was rededicated to Shelly and Ricky Evans to honor all of the great horsemanship, sportsmanship and friendships within our association.

🌀 Congratulations to Katie Jun

United States Equestrian ~ The Sportsman's Charter

- 🌀 *That sport is something done for the fun of doing it and that it ceases to be sport when it becomes a business only, something done for what there is in it;*
- 🌀 *That amateurism is something of the heart and spirit, not a matter of exact technical qualifications;*
- 🌀 *That good manners of sport are fundamentally important;*
- 🌀 *That the code must be strictly upheld;*
- 🌀 *That the whole structure of the sport is not only preserved from the absurdity of undue importance, but is justified by a kind of romance which animates it, and by the positive virtues of courage, patience, good temper, and unselfishness which are demanded by the code;*
- 🌀 *That the exploitation of sport for profit alone kills the spirit and retains only the husk and semblance of the thing;*
- 🌀 *That the qualities of frankness, courage, and sincerity which mark the good sportsman in private life shall mark the discussions of his interests at a competition.*

Our Mission

Our mission as a 501(c)3 is to help these horses become adoptable to others without the time or knowledge to train. I do this for the love of horses and as a small solution to prevent these nice animals from shipping. I am open to people viewing our facilities by appointment and visiting the horses in our care. We are open and upfront with my training, vet care, feeding program and anything you would like to know about our plans for the horses. Everyone who knows and loves horses understands that the initial cost is the cheapest, but long term care is very expensive. That being said, I am seeking financial assistance in stocking our hay barn, helping build shelters, and new ground for better drainage. I am able to do taxable receipts for donations. I am open to physical donations, or cash to purchase the materials ourselves. We are also open to you choosing a horse to sponsor. Please find it in your heart to help make not only my dreams come true, but the horses dreams of being loved and cared for. Feel free to donate, share and ask any questions necessary.

The derby is a team speed round competition with teams consisting of two riders, a professional and either a junior or adult amateur rider. Both riders must be SNHSA members in good standing. Coordinating team attire is encouraged for each team.

Four teams competed in the Derby, following the Challenge Cup event and the winning team received embroidered saddle pads, and rider sash ribbons along with first place ribbons.

The first place team was Hunter Green Queens, with Alessandra Smit on Boomtown and Liz Reader on California BF of Pair of Aces Stables.

Reserve champions were Annelise Appleseth on Stag Creek Sollen and Emily Martinez on A Good Affair. The 3rd place team was Ute Simon on Blue Moon and Annelise Appleseth on Castle.

The 4th place team was Annelise Appleseth on Chante Olowan and Avery Ortiz on Call Me Maebly.

The class is run as a speed class under Table III with faults converted to seconds. The first rider starts the clock as they cross the start line, and the second rider stops the clock as they cross the finish line. For each rail down, 4 seconds is added to the team's overall time. There is no penalty for refusals other than the time taken, but the team will be eliminated if any single horse has two refusals.

The course consists of 16 fences, with each jumping eight fences. The Junior or Adult Amateur rider rides first, with fences set at the 2'6" height. The professional rider rides second, with their fence height at 3'0".

The second rider waits in a marked area while the first rider completes their section of the course. Once the first rider has completed their course, they cross a line and the second rider leaves the marked area to complete their section of the course. A 4-second time penalty is added to the team's overall time if they start too soon. Team prizes are awarded ribbons through 8th place.
