### ***Welcome to the 2023 SNHSA Awards Banquet!***

*Tonight is an evening of celebration and recognition of many achievements! I am honored to have each and every one of you here at this prestigious awards banquet, where we come together to acknowledge and applaud the remarkable success of not only our award winners, but the entire team behind them.*

*Tonight, we gather not only to honor the outstanding individuals that have surpassed expectations but also to celebrate the collective spirit of dedication, perseverance and sportsmanship that defines our community. It is an honor to be surrounded by such talented, and such accomplished, individuals. I want to be sure to extend my personal thanks to the entire SNHSA board, our sponsors, our volunteers and the community members that support us and all that we do.*

*As we embark on this journey of recognition, I want to take a moment to reflect on the hard work, passion and occasionally necessary grit that have brought us to this point. Whether you are a winner, a spouse, a parent, a friend, a trainer or a supportive guest, your presence adds to the vibrancy of this event.*

*Thank you for being a part of this special evening, and I am looking forward not only to an unforgettable night of celebration, but to the new year ahead.*

# ❧ 2023 SNHSA Ricky Evans Sportsmanship Trophy

In 2015, SNHSA started a tradition of recognizing an individual, junior, amateur or professional who exemplifies high-quality horsemanship, sportsmanship and integrity in our sport. The first honoree was Shelley Evans and to carry forward the legacy, she donated this perpetual trophy in 2016. In 2018, the SNHSA Board of Directors renamed the trophy to honor Shelley Evans and her beloved horse, Ricky, who died in 2018.

Congratulations to the **2023 SNHSA Ricky Evans Sportsmanship Trophy winner, Cadence Lacroix**, who was nominated by her mother, Elizabeth Lacroix.

*Cadence has demonstrated throughout this year a selflessness that has extended past her barn. She is always available to help other barns that need assistance. She is at almost all SNHSA events and, not just to attend, but she is there hours before and after the event helping to set up and take down. She has demonstrated this giving quality for years and has been a constant at all SNHSA events as a member and as a go-to helper. She is also an excellent member of her home barn, always willing to lend a hand and teach the younger kids about horsemanship. She can also*

**Cadence Lacroix and her horse, Pearl**

*been seen at our away shows caring for not only her horse but all the horses we bring with us. Her dedication sets a clear standard of care for the other students. I am so very proud of her commitment and dedication at such a young age.*

*Cadence is a frequent face at all SNHSA events, helping with literally any task asked of her with quick action and a good attitude. From the yearly banquet to the benefit show you can find her before and after the events and even during them, setting jumps, unpacking awards, setting up sponsor tables, or helping make a clinician feel happy and welcome through out their stay.*

It is with great honor that we award the **2023 SNHSA Ricky Evans Sportsmanship Trophy to Cadence! Cadence, the SNHSA Board salutes you!**

## 2023 Ricky Evans Sportsmanship Trophy

The **Ricky Evans Sportsmanship Trophy** is dedicated to Shelly and Ricky Evans to honor all of the great horsemanship, sportsmanship and friendships within the SNHSA association.

### ❧ Congratulations to Cadence Lacroix

#### United States Equestrian ~ The Sportsman's Charter

- ❧ *That sport is something done for the fun of doing it and that it ceases to be sport when it becomes a business only, something done for what there is in it;*
- ❧ *That amateurism is something of the heart and spirit, not a matter of exact technical qualifications;*
- ❧ *That good manners of sport are fundamentally important;*
- ❧ *That the code must be strictly upheld;*
- ❧ *That the whole structure of the sport is not only preserved from the absurdity of undue importance, but is justified by a kind of romance which animates it, and by the positive virtues of courage, patience, good temper, and unselfishness which are demanded by the code;*
- ❧ *That the exploitation of sport for profit alone kills the spirit and retains only the husk and semblance of the thing;*
- ❧ *That the qualities of frankness, courage, and sincerity which mark the good sportsman in private life shall mark the discussions of his interests at a competition.*

## 2023 USHJA Outreach Program

The USHJA Outreach Program was established in 2022 to engage and connect hunter and jumper riders and horse owners with the USHJA by providing the opportunity to participate in USHJA branded classes and competitions, to earn points toward year-end rewards and awards, and to earn the chance to participate in the prestigious USHJA National Championships

SNHSA, an Affiliate organization of USHJA, joined the USHJA Outreach Program in mid-June of 2022. Points from SNHSA local shows are submitted to USHJA for members who have signed up for the Outreach Program. Points from other shows in the USHJA Outreach Program are also tabulated and members throughout the country participate in the Program. SNHSA is in USHJA’s Zone 10.

13 SNHSA members were within the top 2023 50 overall in Zone 10: **Jessica Abrams (4), Cadence Lacroix (5), MacLean Sennhenn, Sequoia Denton, Nicku Bruce, Gianna Calderoni, Sterling Sennhenn, Ava Christoferson, Nolan Garnett, Clara Blomeyer, Gracie Lee Henry, Hannah Hutter, and Ava Sabin. (By comparison, there were 5 SNHSA members in this list last year!)**

All riders who have achieved 50 or more cumulative points will receive an email mid-January that has a link and will allow them to pick from ribbon, medallion, swag, or logowear for each medal level. There are different prizes for each level.

Any rider/horse with 100 or more points would be considered a Gold Level rider; Silver Level riders achieve 75-99 points, and Bronze Level riders achieve 50-74 points during the competition year. See the Zone 10 final list on the USHJA website.

SNHSA members should remember to sign up or renew their membership for the 2024 competition year. Remember, Outreach membership is free!

## Hunter Team Challenge Rules

The SNHSA Hunter Team Challenge is modeled after the USHJA Hunter Team Challenge. Riders in the Team Challenge must be a SNHSA member in good standing, and horses must be registered for points to accrue.

Teams compete at four different fence heights: 18" (crossrails), 2'3", 2'6" and 2'9". Teams of four must have a horse/rider combination competing at each fence height; teams of three must have horse/

2023 SNHSA Hunter Team Challenge champions win a SNHSA logo embroidered cooler and rider sash.

riders compete at 3 different fence heights. Each team must declare a Team Coach.

Each horse may only compete on one team, and not more than one professional is allowed per team. The professional may not compete at the 18" crossrail fence height.

The Challenge consists of a single Hunt and Go Round and a single Under Saddle class. Riders will receive a numerical score 0-100 from both phases of the over-fences round (Classic and Handy) and for the under saddle class. All riders at a particular fence height will complete their round, fences will be adjusted to the next height, and all riders at that height will jump their round, etc. until all over-fences rounds have been completed.

The Under Saddle class will be separated by Walk/Trot riders, and Walk/Trot/Canter riders, with no more than 7 riders in the ring at a time. Riders will be assigned their under saddle class order of go after teams are registered.

Their Overall score will consist of 40% Classic score, 40% Handy score, and 20% from the under saddle round score.

Team scores are calculated by adding each team member's Overall scores. Four-member teams will drop their lowest Overall score. Three-member teams will drop their lowest Overall score and double their second lowest Overall score to ensure all teams have the benefit of a dropped score.

At the conclusion of under saddle round, scores will be tabulated and the winning team placings declared.

***In 2024, teams will be drawn from entered horse/rider combinations.***

# 2023 Memorable Masters Award

Donated by AJA Equine in 2022, the **Memorable Masters Trophy Award** is a perpetual trophy that will be awarded to a special horse to commemorate the legacy of Buddies Surprise. ## Congratulations to Miss Dinah

**Miss Dinah** (nominated by Suzan Strahan and the Bruce family)

**Nicku:** Dinah was the quintessential pony schoolmaster. Gentle on the ground and under saddle. Patient and even tempered. Tolerant and kind. She taught my boys how to ride. She took beautiful, careful care of them from paddock to arena back to paddock.

She comforted my two-month old orphan filly after her mama's passing and also accompanied her to her Westphalian inspection a few months later. Dinah was CERTAIN that the entire inspection event was just for HER and strutted around alongside my foal, stealing the show! She taught us how to get and KEEP a pure white horse clean.

And we'd be remiss not to thank her family, the Strahans, for sharing their beautiful, beloved pony with so many of us, so selflessly. Dinah deserves nothing less than this award for her contribution to all of us, and to the SNHSA community, she was a loving legend. We love and miss you beautiful girl.

**Suzan:** Over her long life (28 years) she took care of first my children, and then hundreds more probably. She was always that "worth her weight in gold" pony. I am sure you will recall her at many SNHSA competitions with tiny Amelia Brown, but those are only the tips of her long and varied show career that began in San Diego.

If I put a child on Dinah I never once worried for their safety, she was my partner in teaching the Littles and the Best Pony Ever. You can ask Nic Bruce how she kept her sons safe, she has quite a story to tell.

Miss Dinah even competed at the Sagebrush shows this year with 3 different children and will be receiving some year-end awards, despite not being able to finish the season due to her Cushings and IR flaring up.

We lost her to the Rainbow Bridge this year on Aug. 8. I let as many parents know the afternoon before I had to put her down and they let more know. That evening she had so very many children come visit, love on her and say goodbye well until it was dark.
