^#215 Genesis Equestrian Jumper Relay (entry fee \$50)

Table iii. Faults converted to time. Teams consist of two horse/ponies. The course will consist of 16 jumps, equally divided by two height groups. The competition will begin with the first rider competing at the 0.65-.75m height. They will jump their 8 jumps and hand the baton to the rider who is jumping the 0.85m height. The second rider will jump their 8 jumps. The first rider goes through the start line, the second/last rider goes through the finish line. If the baton is dropped, rider may dismount and pick it up and continue; the penalty is the time taken. Refusals are penalized by 4 seconds per refusal and the TEAM is allowed a total of 3 refusals before being eliminated. Rails count as 4-second time faults. The winner is the team with the best time and least amount of faults. Matching attire is encouraged.
