2018 Issue #10

Nov. 6, 2018

Message from the President

With Thanksgiving just around the corner, I would like to take a moment to thank you, our members, for making this year so fantastic. The friendships that come out of our competitions, and the horsemanship skills that are a result of our clinics, has been such a joy to watch. Myself, along with the board as a whole, are grateful that you all make SNHSA what it is, year after year!

I hope to see you all for our final show of the year this weekend at Ironwood Events Center and next month at Meadow View Farms for the Bernie Traurig clinic and at Maplewood Stables for the Saddle and Boot Holiday Workshop to cap off this incredible season!

October was such a fun, and busy month at the barn. We have so many congratulations to extend.

We have to take a moment to pause and thank each and every one of our clients for all their help throughout this show season! We have been busier than ever, and without everyone working as a team, especially on show weekends, none of the success we have shared this season would be possible. From helping to pack the trailer on show weekends, to working together on grooming, tacking up, watering, horse holding, picture taking, videoing and cheering on every single person has been instrumental in helping our team be the very best we can be. And it shows not only in the ribbons and results our riders are bringing home, but in the atmosphere at the barn and at the shows.

We were lucky enough to attend 4 shows in October. Starting with the SNHSA show at Franktown Meadows, where all 13 of our horses brought home top ribbons and wins! **Lonnie and Jigsaw** won the Pre-Training Stakes class, their first time ever together at that height! **Liz and Swoop** won the Special Hunter Stake with **Ashley and Ivan** in 2nd! Between all of our jumper riders we took home the blue ribbon in every single Jumper Class. **Kelsey** won both the 18 & over Eq Flat and the 2'3"-2'6" Eq over fences. There were many other wins in the Hunters and the Equitation, and numerous ribbons, too many to list.

Lonnie and Jazz won the Adult Amateur High Point at the Stacey Berry Memorial Show

The SNC-CDS Dressage season ended with the annual Stacey Berry Memorial Show at Franktown Meadows. **Anastasia, Kelsey and Lonnie** all attended and all came home with fantastic scores and many goal accomplished! Anastasia moved up to Training Level, winning her Training Level Test 1 and earning a qualifying score towards Championships! Kelsey earned 2 qualifying scores, including a 68%+ in First Level 2 and was Reserve Adult Amateur High Point for the show! Lonnie and Jazz also earned 2 qualifying scores, as well as a 69%+ in First Level test 1, and was the Adult Amateur High Point for the show! I could not be more proud of my dressage team this season!

That same day **Chanlee** was coaching the hunter and equitation riders at the SNHSA show at Brownlee Equestrian. Each of the riders had some fantastic rounds, accomplishing goals that they had set for themselves and their horses. **Jolie** brought home 1st and

2nd place in all of her classes, **Ashley** also earned top ribbons and a win in her classes with great pace and beautiful rounds. **Landess and Swoop** had a fantastic morning together, with wins and top ribbons in the Under saddles and Equitation. That afternoon the Jumpers enjoyed their chance to shine with **Boomtown and Jenna** stepping up to the Level 3's and coming home with the red ribbon and a clean round! **Katie and Blue** earned great ribbons and continued putting in solid and rhythmic rounds. **Nicole and Stella** had a fantastic end to their season with harmonious balanced rounds as well. Chanel showed off how much she has matured, jumping clean confident rounds despite not having had a chance to school at the show and earning ribbons in each class. Lonnie gets the "bad-ass" award of the day, having shown at Stacey Berry in the morning, and then showing Jigsaw over fences in the afternoon!

Chanlee Harvey and Anything But Ordinary

Lexie Conrow and Cantabria

Finally, **Liz and Swoop** enjoyed a lot of success in the 3' and 3'3" Hunters, bringing home multiple wins and the Championship in the 3' USHJA Hunters, the Reserve Championship in the 3' Evan Handy Hunters, and a Derby round that, despite an unlucky rail keeping them out of the ribbons, was so much fun to ride.

As our show season wraps up, please keep in mind that we will be attending and hosting clinics this winter as we never stop learning! Look for us at both the Susan Hutchison clinic and the Bernie Traurig Clinic. In 2019 we will be hosting clinics with Melissa Kalember March 16th, and Coach Daniel Stewart will be joining us again Apr. 13-14th! We had such a great time with his Pressure Proof your Riding and Rider Fitness bootcamp clinics this past May, and we can't wait to do it again! Follow our facebook page <https://www.facebook.com/pairofacesstables/> for updates and clinic information.

Pair of Aces Stables also took a trip down to Rancho Murieta for the Let's Show Halloween Show, and had such a fun week! **Lexie and her mare Ria** rocked the jumper ring, putting in solid rounds that improved each day, while earning good ribbons all week in HUGE classes.

Chanlee and Landess Witmer's Hucklebear put in solid rounds in the 2'3" Hunters. **Chanlee** also got to take **Buddy** along for the week and ended up killing it in the Jumper Ring, finishing the week off as the only rider in the Open Jump for a Jump Division to go clean all 3 days, bringing home a new jump! **Ally and Yoshi** each made their rated show debut, bringing home ribbons in their first ever outing in the Crossrail Division, as well as in the Walk/Trot classes.

Maplewood also congratulates **Jessica Scott** on the lease of Amarone from **Salita Armour** and **Lauren Raggio** on the lease of **Candy's Gone** from Maplewood. We wish you both the best of luck with these two wonderful horses!

We're also excited to have **Breakaway Farms LLC** now doing business at Maplewood. It's great to have **Ashlin Bowen and Hayley Bowen Marx** back where they started!

Later this month, on Nov. 25, Maplewood will host our annual Fall First Responders Horse Handling & Safety Clinic. While this clinic is aimed for first responders and those who respond to emergencies, it's a valuable clinic for everyone who wants to learn more about the nature of horses. Through detailed instruction and observation, hands-on horse handling and trailer loading techniques, attendees learn how they can best help in an emergency evacuation situation.

Last, but certainly not least, Maplewood is proud to announce the formation of **Goodtoknow Horses**, the non-profit entity that will be the umbrella for all of our educational programs at Maplewood, including the state licensed Horse Industry Training Program and Maplewood's Super September Clinics. For more information on our mission and programs, please visit www.goodtoknowhorses.org

Julie Winkel and Amarone

Maplewood also hosted the annual fall

Adult Ride &

Whine Camp Oct. 18-21, which drew campers from across the country - Virginia to Wisconsin to Washington State. Campers enjoyed ideal weather, with educational seminars on horsemanship, judging, tack and equipment, along with riding lessons from **Julie Winkel and Andrew Jayne**. In addition, there was time for wine tastings, a poker ride, dining in Virginia City and Lake Tahoe, and a day spent with nutrition and fitness expert Bindee Eberle of SportsMenus. It was a fun-filled and educational weekend enjoyed by all!

Maplewood would like to congratulate **Devina Stone** for qualifying as a finalist for the USHJA Emerging Athletes Program National Training Session in Findlay, Ohio, this month! We're also excited for Devina, a long-time client and employee, as she begins a new job this winter as an assistant at Imagination Lane LLC in Newberg, Oregon. Devina will be working with talented professionals Kendall and Nicole Bourgeois in their successful Hunter/Jumper show stable.
