### SUNDAY

#### Height Sections

1. Three height sections, but each height is to be judged together
  - a. 2'-2'3"
  - b. 2'6"-2'9"
  - c. 3'-3'3"

#### Judging System- Traditional Format

1. The traditional format will consist of two (2) phases: one (1) Classic Hunter and one (1) Handy Hunter. The phases will be jumped separately. Each phase will have high options. All participants will complete the Classic Hunter Round. The top twelve (12) horse-and-rider combinations from the Classic Hunter Round, will compete in the Handy Hunter Round.
  - a. The Classic Hunter Round will be judged on quality, movement, jumping style, manners, and way of going with *pace and brilliance to be rewarded*.
  - b. The Handy Hunter Round will be judged on quality, movement, jumping style, manners, and way of going with *pace, brilliance, and shorter tracks to be rewarded*. A horse-and-rider combination may not jump decorations or other obstacles in order to create a shorter track.
  - c. A judging assistant must be present during all phases of the competition.. The duties of the judging assistant include notifying the Judge if a rail comes down and when a horse jumps the higher height option fences. The judging assistant is not required to be a licensed official and is not responsible for the scoring of the judging panels.
  - d. The Option Bonus Score of one (1) additional point for each higher height option fence jumped must be awarded even if there is a refusal, rail down, or loss of good jumping style at that higher height option fence, providing that the horse-and-rider combination does jump the higher height option fence.

#### Tie-Breaking Procedures

1. No judge or panel may award the same base score to any two competitors in any one round unless a competitor's score is below the cut-off score.
2. Any ties in all rounds will be broken by the base score (before adding height bonus points) of that round.
3. All ties for overall first place in the overall standings will be broken using the second round base score (before adding height bonus points).
