We are in search of **year-end programs or rulebooks from 2012 and earlier**. If you have any of these, we would love to have a copy for SNHSA historical use. Win Free Classes

As SNHSA members, your input is very important to us. We are interested in any issues concerning our organization, the prizes offered, the information we disseminate, the rules, etc. Surveys offer a way to tell us what we are doing right OR what might need to improve!

All feedback is requested, whether positive or negative. Your responses will be shared with the board to assist in future planning; however, your contact information will not be shared with show managers or Board members if you check the box for anonymity. We request your name and a valid email address on the survey, but the SNHSA secretary is the only person who will have the contact information.

There are two new surveys on this snhsa.org webpage: [snhsa.org/surveys/](#)

- [2022 SNHSA General Satisfaction Survey](#) (complete only once)
- [2022 SNHSA Show Evaluations](#) (complete one for each show)

At the 2022 SNHSA Year-End Awards, to be held Jan. 14, 2023, three lucky people will win 3 FREE classes for the SNHSA 2023 Hunter-Jumper-Equitation Benefit shows just for filling out at least one of our 2022 SNHSA surveys! The more Show Evaluation surveys completed, the better your chance at winning, as each completed 2022 Show Evaluation Survey provides one raffle chance. With 13 scheduled shows for the 2022 season, each person could earn 13 raffle chances from show evaluations. A completed 2022 General Satisfaction Survey will also earn a person one chance. In all, 14 total chances can be earned!

Surveys must be completed by Dec. 31, 2022 to be considered for the raffle.

SPONSOR SPOTLIGHT

Sponsor Spotlight on Tahoe Equine Rehab and Conditioning Center Division Sponsor of Pre-Training Jumper

Tahoe Equine Rehab and Conditioning Center is a full-service equine rehabilitation and conditioning center located in Gardnerville at 320 Highway 88. It was begun by DVM Shane Miller sometime in 2019.

What does your business offer to the equine community?

Tahoe Equine offers the best and most complete equipment to get your equine athlete or companion ready for the season or back from any type of musculoskeletal issue. We offer a hands-on approach and veterinary oversight for rehabilitation and conditioning of all performance horse disciplines. Our indoor facility includes a saltwater spa, an inground Aqua Treadmill, and an eight-horse Eurocizer. We also offer an RLT Regenerative Laser, and a Nebulizer. We welcome year-round haul-ins for conditioning, to keep your show horse in top shape year-round, as well as inpatient rehabilitation care and referrals.

What prompted you to get involved in this company?

"After my mare experienced a severe battle with strangles and a suspensory injury, our road to recovery was dramatically accelerated and improved due to the tools at Tahoe Equine Rehab Center," notes Maguire Price, facility manager. "Therefore, when the opportunity arose for me to take the position as facility manager, I jumped at it!"

"With my role as the facility manager, my goal is to find and pursue ways that I can expand and increase awareness around proper conditioning and successful rehabilitation of our clients' horses. This has become my priority."

Can you tell me more about your business?

Our equipment is top of the line and carefully selected to return the horse to the pre-existing level of optimal performance prior to the injury. This can be achieved by restoring soft tissue flexibility, muscular strength, and functional mobility. We believe that proper conditioning is the best way to prevent injuries and promote optimal performance. Living in our mountain climate, performance horses can be at a disadvantage by being stall-bound throughout the winter.

What is your contact information should someone want to call you or email you for questions or even orders/service? Do you have a website?

Tahoeequinecenter@gmail.com, 775-781-5060, <https://tahoeequinerehab.com/>

Anything else you would like to share?

"We would love to give tours of our facility to be able to answer any questions."

Editor's note: Be sure to call Tahoe Equine to see what they can do for your horse! You never know when you might need their help with your equine family!

Thank you to SNHSA SPONSORS
