Article VI

Qualification for Accruing Points for Year-end Points; Newsletter and Publication of Points; Calculating Points; Points Discrepancies; Official Records

A. Qualification for Accruing Points for Year-End Awards

1. **The requirement that owners of horses/ponies (if different than the rider) must be members has been eliminated.** Riders, and in *most* cases their horses/ponies, **must be members of SNHSA in order to accrue points for year-end awards.** The exception is for horses/ponies ridden ONLY in the Equitation Divisions 1-3, or the two SNHSA Medal classes. **However**, it is important to note that if the rider wishes to show the equitation mount in any other SNHSA divisions for which s/he would like to accrue points for year-end awards, the horse/pony **MUST** be registered with SNHSA.
 - a. **For members with trainers:** if the trainer will be showing the horse in any division from which accrual of points is desired, or if the exhibitor is participating in either of the SNHSA Medal classes, **the trainer must be a member of SNHSA** for points to accrue.
2. Membership is effective as of the date the correct and accurate application and required fees are received by the SNHSA Board; or by the show secretary of any SNHSA sanctioned horse show, if the application is turned in at that show. **Points begin to accrue from that date forward and are not retroactive.**
3. SNHSA offers year-end awards in 21 divisions.
 - a. **A member must attend and participate in at least three (3) SNHSA sanctioned shows, at three (3) different venues (facilities) in order to be year-end champion in a division.**
 - b. In order to **win** a division, a rider must accumulate a minimum of 10 points.
4. For the purpose of meeting the three venue requirement, EITHER a SNHSA Benefit OR Final Show (NOT BOTH) may be counted as a “wild card,” regardless of the location. A rider would only need to attend and participate at two different additional venues in order to meet the “three venue” requirement. If a SNHSA Benefit show is designated by the rider as his/her “wild card,” the Final show may not also be designated.
5. There will be no minimum requirements for the number of times a class for any particular division is offered during the competition year. As long as the rider meets the stated criteria (3 shows, 3 venues, and 10 points in the same division), the rider (or horse/pony or horse/rider combination as the case may be) shall be eligible to be **champion**. A rider need

not accumulate 10 points, but must follow the three-show, three-venue rule, in order to qualify for a year-end award.

6. Point Declarations for special classes at sanctioned shows

In order for points to be allocated from special classes offered at SNHSA sanctioned horse shows, riders must complete a **SNHSA Special Class Declaration Form**. Unless the Special Class Declaration Form is completed and submitted to the show secretary at the time of entry or at least one hour prior to the start of the class, riders will not receive points for the special class.

a. Special Jumper Classes:

- 1) If the special jumper class is **at or below 2'6"** the following divisions are eligible for points allocation:
 - Junior/Amateur: Kindergarten Jumpers, Puddle Jumpers, Pre-training Jumpers
 - Professional: Kindergarten Jumpers, Puddle Jumpers, Pre-training Jumpers
- 2) If the special jumper class is **at or above 2'9"** the following divisions are eligible for points allocation:
 - Junior/Amateur: Level I, Level II, Level III, Level IV, Level V
 - Professional: Level I, Level II, Level III, Level IV, Level V

b. Special Hunters Classes:

- 1) If the special hunters class is **at or below 2'6"** the following divisions are eligible for points allocation:
 - Junior/Amateur: Pony Hunters, Short/Long Stirrup, Mini Hunters, Special Hunters, Modified Child/Adult Hunters
 - Professional: Mini Hunters, Special Hunters
- 2) If the special hunters class is **at or above 2'9"** the following divisions are eligible for points allocation:
 - Junior/Amateur: Low Hunters, Children's/Adult Amateur Hunters, Modified Open Hunters, Junior/Amateur Owner Hunters
 - Professional: Low Hunters, Modified Open Hunters

c. Special Equitation Classes:

- 1) For a special equitation class, all age appropriate equitation divisions are eligible to Juniors and Amateurs

7. For purposes of Year-End Points, points earned at the SNHSA Final Benefit Show in any SNHSA sanctioned division class will count as double. (See Article VI, Section C)

B. Newsletter and Publication of Points

1. A SNHSA newsletter will be posted on the SNHSA website and emailed to all members, approximately ten (10) times per year. The publication will include a calendar of SNHSA approved shows, points listings for those shows for which results were received by press time, and current points standing in all recognized SNHSA divisions. The publication will also include SNHSA news, items of interest to members, and the date and location of the next Board meeting.
2. Information submitted to the SNHSA newsletter editor **must be received no later than the fifth (5th)** of each month to ensure that the newsletter may be emailed as close to the 15th of each month as possible.

C. Calculating Points

1. Year-end points will be calculated based on a horse's or rider's (or horse/rider combination) ten (10) highest points-earning shows for the year in each division *regardless of the number of shows attended*.
 - a. A member must attend and participate in at least three (3) SNHSA sanctioned**

- shows, at three (3) different venues (facilities). At least 10 points must be accumulated in the same division in order to be year-end champion in that division.**
2. Horses or riders competing in more than 10 shows could possibly have different shows count for different divisions; however, only the 10 highest point-earning shows per division will count towards year-end awards.
 - a. In the case of a multi-day show, **only 3 classes per division** will count towards year-end awards.
 3. Show results for SNHSA sanctioned horse shows are sent to the Board by the Show Managers or handed to the Steward at the end of the show. The Board and the official Points Keeper shall work in conjunction with one another to calculate the points earned and posted for each show. The records kept by SNHSA are the only official records for riders/horses/ponies at SNHSA sanctioned shows.
 4. At all SNHSA sanctioned shows, points that accrue for year-end awards are calculated as follows:
 - a. When there are six (6) or more entries* in a class, points will be awarded as follows:
 - 7 points for first place
 - 5 points for second place
 - 4 points for third place
 - 3 points for fourth place
 - 2 points for fifth place
 - 1 point for sixth place

[Note of clarification: Each Show manager is responsible for communicating to the judge that the class should be placed through sixth (or a “reserve” noted) even if prizes only go through 5th.]
 - b. When there are less than six (6) entries in class, points will be awarded as follows:
 - 5 entries: 6-4-3-2-1
 - 4 entries: 5-3-2-1
 - 3 entries: 4-2-1
 - 2 entries: 3-1
 - c. ***Entries** are those contestants who actually enter the ring to be judged, whether or not they incur elimination due to falls, refusals, off-course, etc
 5. Points earned at the **SNHSA Final Benefit Show** in any SNHSA sanctioned division class will count as double. Therefore, points that accrue for year-end awards at the Final Show will be calculated as follows:
 - a. When there are six (6) or more entries* in a class, points will be awarded as follows:
 - 14 points for first place
 - 10 points for second place
 - 8 points for third place
 - 6 points for fourth place
 - 4 points for fifth place
 - 2 points for sixth place
 - b. When there are less than six (6) entries in class, points will be awarded as follows:
 - 5 entries: 12-8-6-4-2
 - 4 entries: 10-6-4-2
 - 3 entries: 8-4-2
 - 2 entries: 6-2
 6. SNHSA members who show in Hunter and Equitation Classics (sometimes called “stakes”) held at SNHSA sanctioned shows, **that otherwise meet all the criteria for any particular SNHSA division** for which the rider (horse, pony or horse/rider combination) is eligible, will have points counted for that division.
 7. **Cross-Entry Policy:** SNHSA will strictly enforce cross-entry restrictions as described in

each affected division in the SNHSA Rule Book (Article VII). In the event a cross-entry is inadvertently made by an exhibitor, or accepted by a SNHSA sanctioned horse show secretary, the following method shall be used to determine the eligibility for points:

- a. For a class that the exhibitor is otherwise eligible, one class or the other must be designated as a schooling round, BEFORE either class occurs. In the event such designation is not received and noted by the show secretary BEFORE either class occurs, **the first class in which the exhibitor rides at that show will be counted for points, and any other subsequent classes affected by SNHSA cross-entry restrictions at that show will not count for points under any circumstances.**

D. Points Discrepancies

1. Members are *encouraged to keep their own points totals*, as well as to check their points totals in **each** issue of the newsletter/points bulletin to make certain they are correct.
2. Reports of suspected errors **must be submitted in writing**, on a Points Discrepancy form found on the SNHSA.org website, **within 30 days of publication**.
3. **EXCEPTION:** For the **final point bulletin** of the year, discrepancies **must be reported within 15 days**.
4. **In both cases, once the grace period (30 days/15 days for final) has expired, the points will stand as published.**

E. Official Records

1. **The records kept by the SNHSA are the ONLY official records for riders and/or horses at SNHSA sanctioned shows.**
2. To keep these records consistent and to accrue points for year-end awards, a horse must be entered at any given show **EXACTLY** as the name appears on the Membership Application/Renewal form on file with SNHSA [Article IV.C.]
3. A horse/pony may be added at any time during the year, **but points will not begin to accrue until: the horse is registered with SNHSA and the necessary fee paid; and until the rider of the horse is verified to be a SNHSA member(s) prior to or on the day points were earned** [Article IV.C.]
