Extra! Extra! Read All About It!

SNHSA announces the beginning of its own line of logowear! We are so excited to be able to bring you items you have been clamouring for! We're starting off with a few items and will increase the offerings throughout the season. Kudos to our **Member Outreach Committee members, Maguire Lessard and Christina Brennan**, who put a lot of time and thought into bringing you the best quality materials and finding just the right place to bring our vision to life.

To shop, go to this link: [A Sign Shop](#) or asignshop.net and click on the SNHSA logo.

There will be **four ordering opportunities or shopping windows** this season, with delivery made at three upcoming horse shows. A Christmas order opportunity will also be available with pickup and delivery options through Outreach Committee board members.

SNHSA offers the above pictured items for the first order opportunity. More items, youth clothes, and/or color options will be added in future ordering opportunities. The first order opportunity/window is open now until midnight, Thursday, Sept. 10.
